

ASDN Cybernetics Inc

COLLABORATION PROGRAM

"ASDN Cybernetics Inc collaborates with institutes and colleges across India to offer online Cybersecurity Diploma and advanced technical courses. Catering from basic to advanced levels, these programs are designed to meet the demands of multinational companies. Students gain market-relevant skills equivalent to B.Tech, BCA, or Polytechnic degrees, with 6-month training modules. Updated every 6 months, the curriculum ensures students stay industry-ready, providing an international platform for growth and success in the tech field."
